## **Why should I join Grampians *dis*Ability Advocacy Association?**

This association is designed to give people with an interest in disability issues an opportunity to hear guest speakers and get information about new services and issues.

There will be meetings with guest speakers on a regular basis and a newsletter several times a year to keep you up to date.

This association is run by a volunteer committee of management, made up of consumers and community members. It is committed to promoting quality of life and self-advocacy for all people with a disability.

The motto of the association is “Our Choice, Our Voice.”
