ADVOCACY

Assisting individuals
to advocate for
themselves

Providing information
on disability issues

Working with people
with disability to help
them access and
enact their rights

Linking people with
disability to other
agencies that may
be able to
provide support

Our Mission Statement

GdA stands beside people
with disability as they:

- Understand and act on
their human rights
- Connect and build
confidence, independence
and friendships
- Are empowered to live
the life they choose
